MANAGER PERFORMANCE-REVIEW FEEDBACK

“Andrew has **consistently exceeded expectations** in his role as a Senior Lead Analytic Consultant. He has demonstrated **exceptional versatility, technical expertise, and leadership** across a wide range of initiatives.”

“Andrew stands out as the **most capable remediation analytic consultant** within the Auto remediation space and is among the most talented analytic professionals I’ve had the privilege to work with. He **consistently operates beyond the scope of his current role**.”

“Andrew is the **go-to expert** on the Auto remediation team for all matters related to Credit Bureau Reporting (CBR) processes and issues. His **deep knowledge was instrumental** in a major initiative to standardize CBR update tracking and ensure favorable reporting adjustments (FRAs) are consistently applied across all lines of business.”

“Andrew has been an **invaluable resource** in helping me acclimate to the Auto remediation space, **providing context, background, and guidance** throughout the year.”

“Andrew has received a large number of shout-outs and e-cards from numerous partners throughout the organization. A consistent theme of this feedback is **how much partners enjoy working with Andrew** and how he goes above and beyond to ensure he meets deadlines and **delivers an accurate, quality product**.”

“Even with Andrew's promotion in June (2022), he **continues to exceed expectations** for his job level. He is a great asset to the team in his willingness to work hard on his own remediations as well as to **mentor new employees and contractors**. He is **accurate, thorough and timely** with all his work.”
